

Review of TNC projects implementation in Lithuania

Rita Pakalniškytė–Rušiniienė
senior administrator, consultant of
Northwest Lithuania LAG

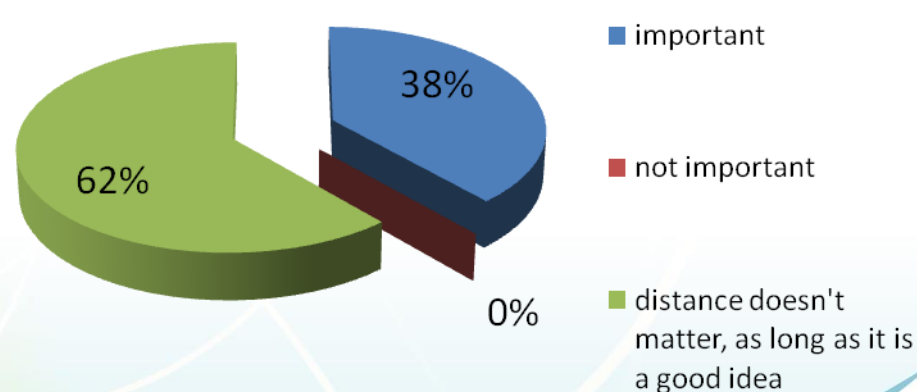

The main criteria choosing a partner

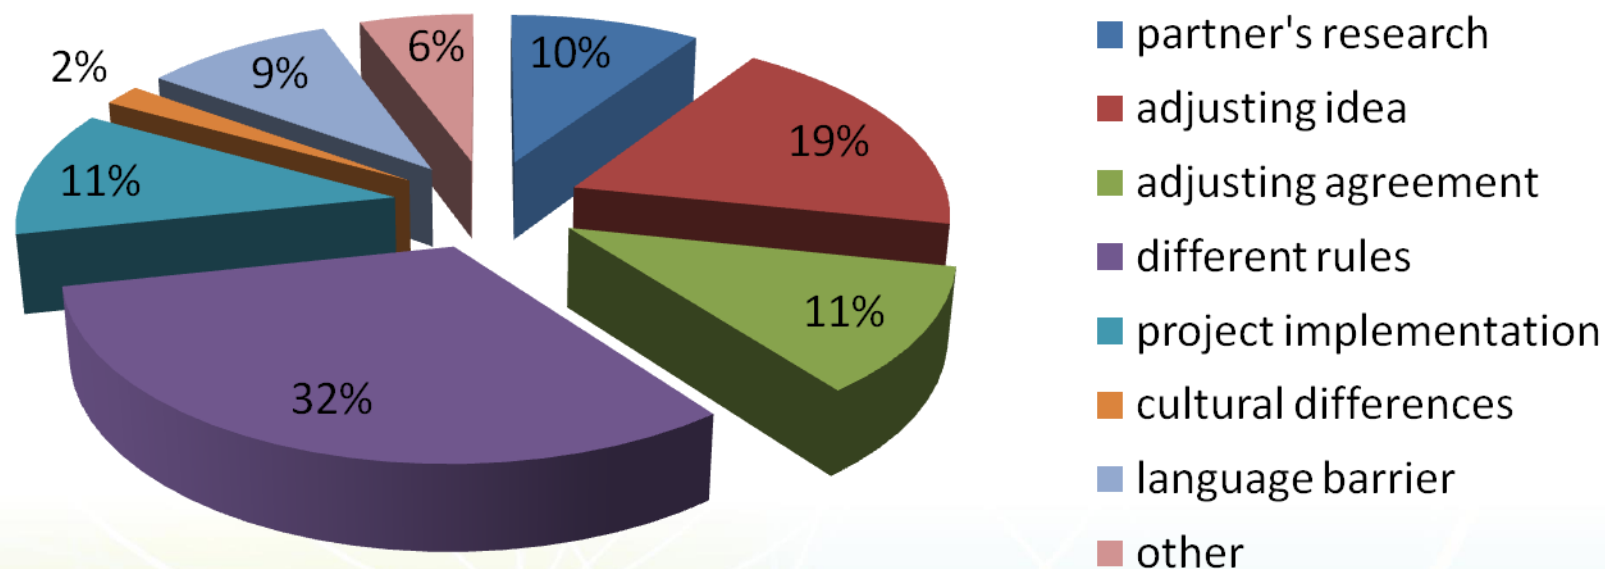

Language barrier

Geographical distance

Challenges implementing TNC

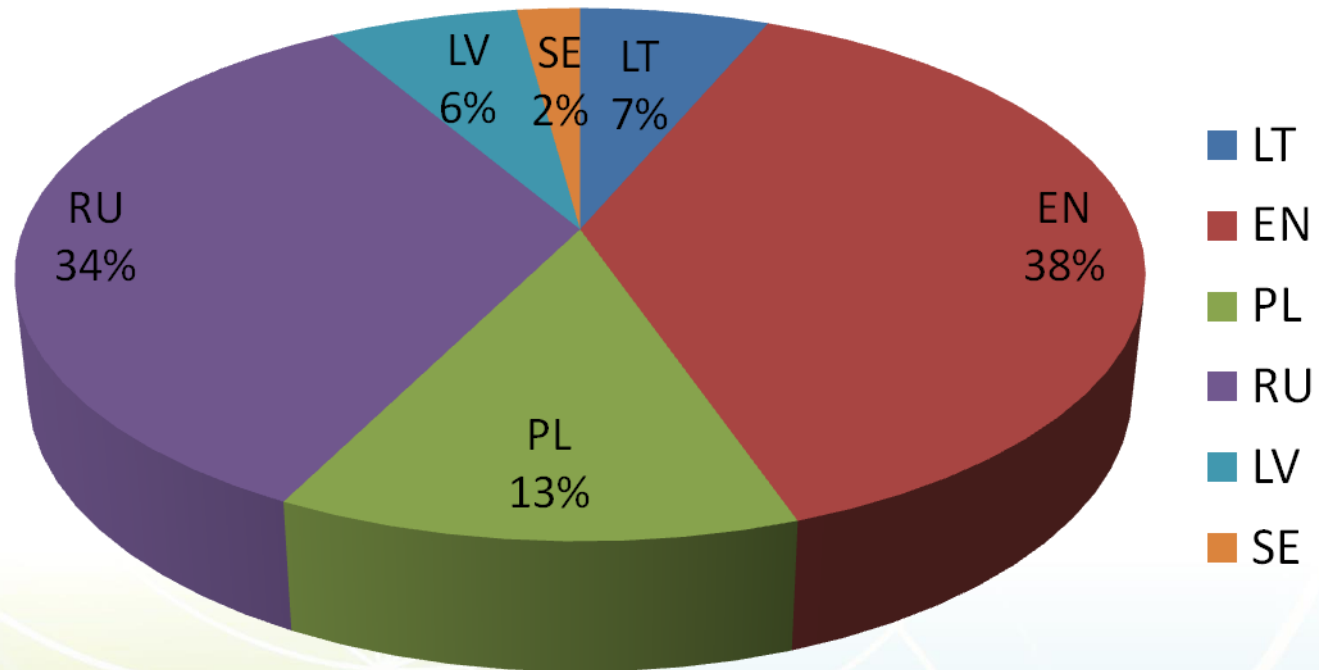

Lithuanians cooperate with:

- Austrians (3,84 %)
- **Latvians (46,15 %)**
- Estonians (11,53 %)
- Slovaks (3,84 %)
- **Polish (26,92 %)**
- **Finns (30,76 %)**
- Czech (11,53 %)
- Swedish (3,84 %)

Language of communication

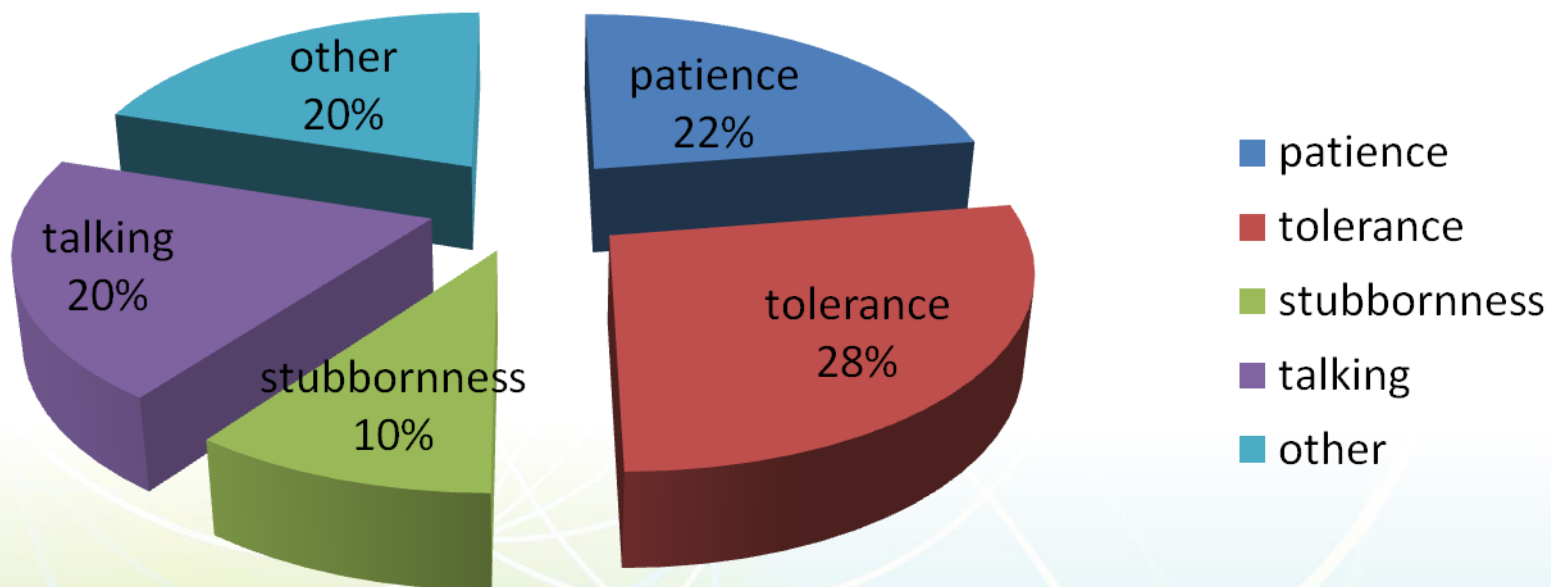

Differences between Lithuanian and foreign partner regulations and applications

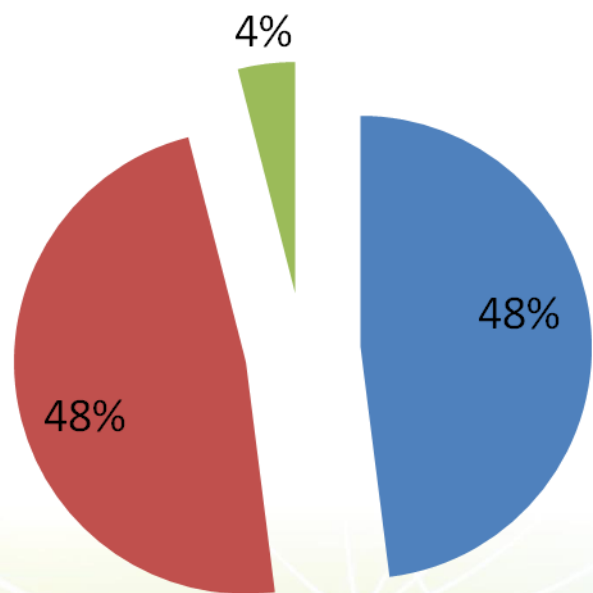

- Timing of the calls
- Evaluations of application process
- Differences in administrative expenses
- Public procurement procedures

How problems regarding cultural differences between partners were solved?

Would you implement TNC project again?

- yes, because it is interesting to know other culture
- yes, if the project idea is good
- I am not sure

THANK YOU FOR YOUR ATTENTION!
