

NRN FORESTRY THEMATIC INITIATIVE

8th NRN meeting, 24-25 March 2010, Rome

What has been done so far...

7th NRN meeting, Brussels, 10th Dec 2009:

- Wider objectives, scope, possible results
- Identification of common areas of interest (tentative)
- First discussion on: involvement of stakeholder, possible actions, work plan

Background work by the CP (e.g. RDP screening)

POSSIBLE AREAS OF INTEREST IDENTIFIED:

- (i) Use of biomass from forests at small scale
(short energy chains)*

- (ii) Multifunctional role of forests
(Public Goods and services provided by forests)*

- (iii) Support to private forestry management
(forestry association)*

Proposed outline for the two sessions:

- First session (25/03) *9.00 - 11.00*
 - Introduction
 - Use of forestry measures in the EU RDPs (CP screening exercise)
 - Discussion
- FIELD TRIP
- Second session (26/03) *9.00 - 12.00*
 - Exchange on relevant examples/case studies
 - Proposal for possible actions
 - Agreement on work-plan (next steps)
