Summary of Leader+ period 2006-2008

• Estonian NDP measure 3.6 “Development of local initiative – LEADER-type measure”. Two schemes of implementation - objective 1 and 2

• In August 2006, 24 non-profit associations, meeting the requirements for a LAG, applied for the support for a local action group

• All the submitted applications were granted: 21+3

• 94% of Estonian rural area was covered by LAGs

• By 30.6.2008, all the 24 LAGs submitted to the ARIB new or complemented strategies of their area
Leader - budget – in Estonia, 10% of the RDP Budget – 1,4 billion EEK

- On 15 August 2008, the receipt of applications ended. Applications were submitted by 26 non-profit associations, meeting the requirements for a local action group (LAG)

- It was possible to apply for the following:
  - Support for the development of the strategy was applied for by- 2
  - Support for the implementation of the strategy was applied for by- 24

- 98% of Estonian rural area has been covered by LAGs. Only 8 local government units have not joined, they can only accede to the already existing LAG’s.
Implementation of Leader projects by LAGs

• The strategy of a Leader LAG includes the main trends of the development strategy of the area and is created within 2007-2013. The strategy can be amended in 2010

• By Leader-axis, the measures of axes 1, 2 and 3 may be implemented

• Each year LAGs submit an implementation plan - by 1 November of the preceding year - presenting LAG’s measures and the budget to be opened next year

• International co-operation projects are part of the LAG strategy and budget
