

Sharing and dissemination of monitoring and evaluation findings

“Activities regarding the sharing and dissemination of monitoring and evaluation findings” is one of the seven mandatory tasks of National Rural Networks. Support for implementing this task is also provided by the ENRD Evaluation Helpdesk. Relevant resources of the ENRD Contact Point, to support the implementation of this task during the 2014-2020 period, are listed in the table below in chronological order (from 2014 onwards).
