

1. Annual Work Programme (AWP) 2012: priorities supporting RDP implementation

- The network maintains an annual work programme which has been approved in November 2011.

2. Thematic Initiatives launched by the Network

• LEADER-related activities

- The NSU's work includes LAG support activities where it organises trainings and events for LAGs.
- Information about these events is available on: <http://www.netzwerk-laendlicher-raum.de/service/veranstaltungen/>
- The NSU as well as the regional MAs developed guidelines and documents for the LAGs.
- The regional networks provide further support to Leader implementation.
- The NSU/MA staff provides support for inter-regional and transnational cooperation through cooperation fairs, LAG's visits abroad and other events.
- The NSU publishes the partner search on its website, newsletter and magazine. In addition the NSU produced a guide for TNC at the beginning of the current programming period.
- Information about these activities is available at:

3. Relevant Experiences/Good Practices

• Identification and dissemination of EAFRD-funded projects representing relevant experience:

- The rural network collects and identifies EAFRD-funded projects representing relevant experience through exchange and networking activities with rural stakeholders, organisations and ministries.
- The rural network communicates and disseminates relevant experience through its magazine, its newsletter and through other publications. Communication opportunities are also fairs and events.
- Relevant experiences and good practices are available at:
 - Magazine: <http://www.netzwerk-laendlicher-raum.de/service/publikationen/landinform/>;
 - Newsletter: <http://www.netzwerk-laendlicher-raum.de/service/publikationen/newsletter/>;

4. Monitoring and evaluation of networking

- The network evaluates its performance through an external NRN-P evaluation. This evaluation includes both qualitative and quantitative assessments.
- The network implements other self-assessment activities through the evaluation of its events and its publications (magazine, newsletter).

5. Communication

- The network doesn't have a communication plan.
