

## NRN Thematic Cluster on CLLD

### 2<sup>nd</sup> Cluster Meeting

**Agenda 27 November 2013, Dijon, France**

**Room: Meursault - Nuits St-Georges - Corton**

The main purpose of the cluster meeting is to develop a detailed action plan further for the working groups around the main themes of interest of cluster members. An indicative list of possible topics to be covered has been put together based on initial interests expressed by members. The meeting will aim to discuss key issues with regard to these topics, finalise the set-up of working groups, identify cluster members who are taking the lead on the work of individual working groups, and start to develop the action plan for the groups (including planned activities, methods, responsibilities about interested members and planned outputs).
