data**

Common Network Statistics

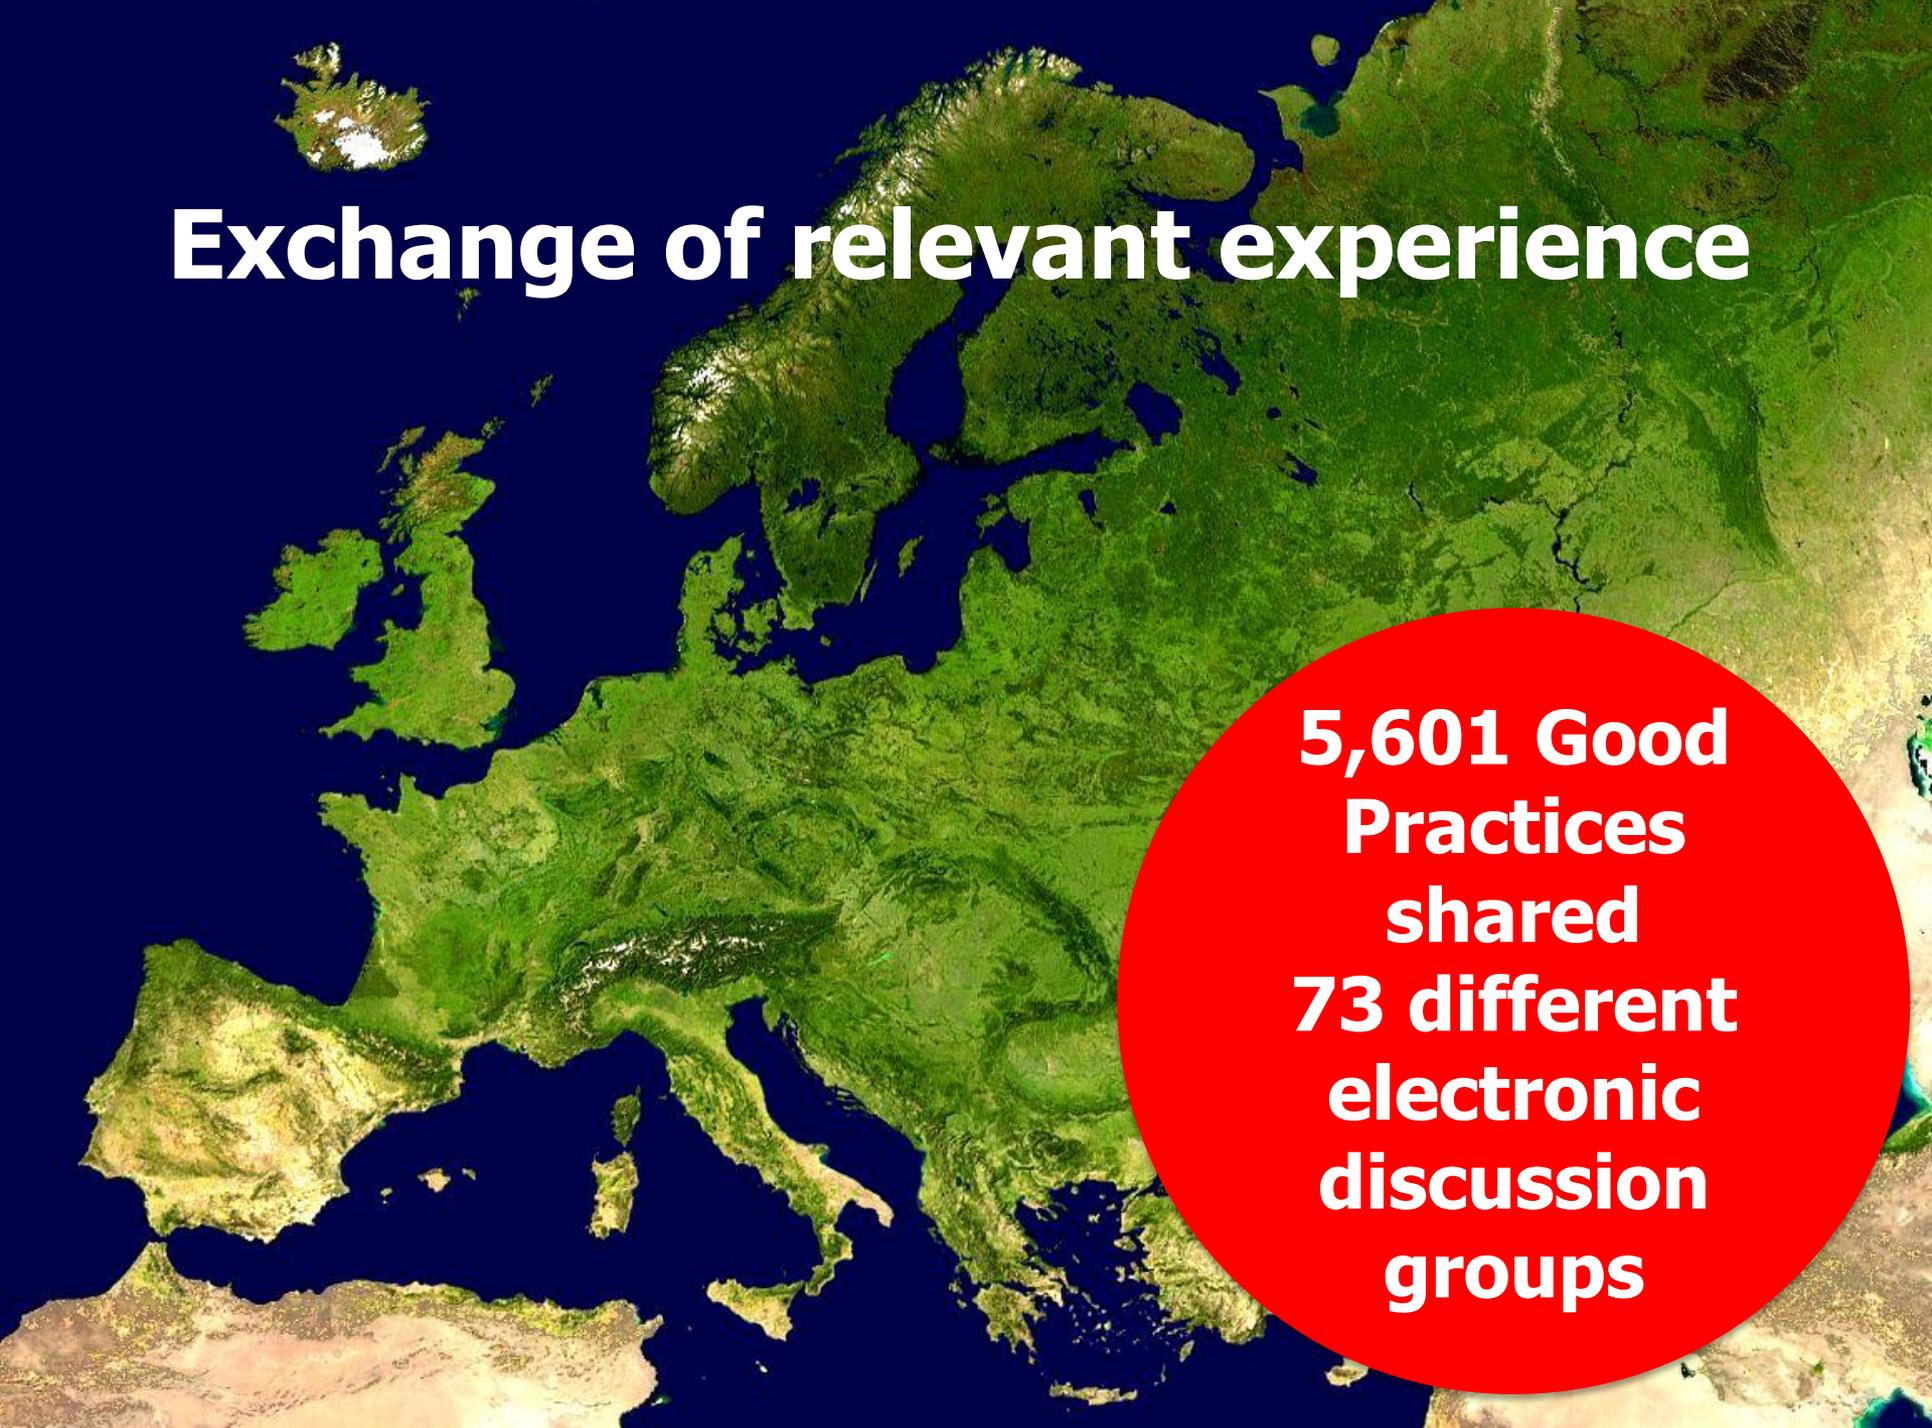

A satellite-style map of Europe with red dots marking several countries. A large red circle on the right contains text. The map shows the continent of Europe with various geographical features like mountains and rivers. The red dots are located in Ireland, France, Spain, Italy, and Germany. The red circle is positioned on the right side of the map, overlapping the Eastern European region.

**7 Member
States have
not
provided
data**

A satellite-style map of Europe, showing the continent in shades of green and brown, with the surrounding oceans in dark blue. The map is centered on the continent, showing major geographical features like the British Isles, the Alps, and the Mediterranean coast.

Stakeholder engagement: Network Communications

**5,287 meetings
and nearly
2,000 other
communication
tools**

A satellite-style map of Europe, showing the continent in shades of green and brown, with the surrounding oceans in dark blue. The map is centered on the continent, showing major geographical features like the British Isles, the Alps, and the Mediterranean Sea.

Exchange of relevant experience

**5,601 Good
Practices
shared
73 different
electronic
discussion
groups**

A satellite-style map of Europe, showing the continent in shades of green and brown, with the surrounding oceans in dark blue. The map is centered on the continent, showing major geographical features like the British Isles, the Alps, and the Mediterranean Sea.

Capacity building and training

**1,716
training
activities
with over
72,000
Participants**

A satellite-style map of Europe and its surrounding regions, including parts of North Africa and the Middle East. The landmasses are shown in various shades of green and brown, representing vegetation and terrain, set against a dark blue background for the oceans.

Cooperation and joint actions
