

Sixten

A way to involve youth in local development

WHY?

We want our youth to feel that they have the tools and possibilities to influence the development of the local societies

If they move – we want to be the place they want to come back to!

If they stay – we want to be a place filled with opportunities for young and adults!

We want to create ambassadors for our area

We want to create young entrepreneurs

HOW?

A networking project owned by the LAG, called Sixten
