

## Tool 12 – Road Map Template

There should be 1 transnational road-map which concerns transnational activities and is the same for all partners  
Each partner can then adapt this transnational road-map and include the local activities they have to develop and which are directly linked to the cooperation project

### ROAD-MAP TEMPLATE FOR COOPERATION PROJECT MANAGEMENT

			January				February				March				April			
			W1	W2	W3	W4	W1	W2	W3	W4	W1	W2	W3	W4	W1	W2	W3	W4
Main Activities	Sub activities	Responsible																
Activity 1 :	Activity 1.1.																	
	Activity 1.2.																	
	Activity 1.3.																	
Activity 2 :	Activity 2.1.																	
	Activity 2.2.																	
	Activity 2.3.																	
	Activity 2.4.																	
Activity 3	...
