

Umbrella projects - to simplify and mobilize

carin.alfredsson@jordbruksverket.se

Umbrella projects - definition

- One project – one common purpose, goal and one specific focus.
- Many subprojects contribute
- Decision making panel decides which subprojects are to be granted support
- Agreement with each subproject
- Not more than 30 subprojects
- Each subproject no more than 3 000 euro

Example Umbrella project "Youth Culture"

Journal number: 2008-001

Streetfestival Jnr 2008-001/1

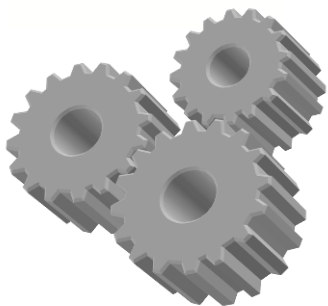

Animation Jnr 2008-001/2

More culture Jnr 2008-001/3

Bio Rio Jnr 2008-001/4

Young organizer Jnr 2008-001/5

Main impact

- Mobilize and reach new groups
- Reach the goals of the LAG-strategy
- Quicker decisions
- Simpler administration
- More efficient administration at the support authority
- Quicker payment helps smaller projects with their liquidity
- Subprojects often first step towards big project

Challenges

- Clear distinction between subprojects
- Mobilize and get enough project ideas
- Find an appropriate size and duration for the umbrella projects
- Enough information from the subprojects
