

## Subgrupo LEADER/CLLD

El subgrupo sobre LEADER y el desarrollo local participativo (CLLD) constituye una de las dos formaciones permanentes de la [Asamblea de las Redes Rurales Europeas](#) [1], junto con el subgrupo sobre «[La innovación para la productividad y la sostenibilidad en la agricultura](#) [2]».

El principal objetivo del subgrupo es contribuir a mejorar la calidad de la implementación de LEADER/CLLD en el marco de los programas de desarrollo rural (PDR). Más en concreto, el subgrupo:

- Supervisa y analiza la implementación de la medida LEADER y de los proyectos de cooperación transnacional (CTN).
- Identifica cuestiones comunes y buenas prácticas transferibles en los ámbitos de la implementación de LEADER y de las estrategias CLLD multifondo.
- Fomenta el aprendizaje mutuo y el desarrollo de las capacidades de los actores que trabajan en el ámbito de LEADER/CLLD.

El subgrupo reúne a 97 representantes de diferentes partes interesadas, como autoridades de gestión (28), redes rurales nacionales (28), grupos de acción local (28) y organizaciones europeas (12).
