

Food and Drink Supply Chains

‘Food and Drink Supply Chains’ is one of the sub-themes of the ENRD thematic work on ‘Smart and Competitive Rural Areas’. It relates directly to Priority 3 of EU Rural Development policy on “promoting food chain organisation, including processing and marketing of agricultural products, animal welfare and risk management in agriculture”.

Key topics covered within this sub-theme were:

- Adding value along the supply chain;
- Retaining added value in rural areas;
- Expanding rural markets and the creation of ‘rural destinations’;
- Food policies and access to urban markets;
- Access to the market for public food;
- Smart specialisation approaches.
