### Module 2 - Evaluation of LEADER/CLLD

- Evaluation of LEADER/CLLD as part of rural development policy – purpose, legal framework, objectives, reporting requirements and reporting via the SFC template
- LEADER/CLLD intervention logic in a specific RDP – how to identify it and capture its primary and secondary contributions to rural development programme and higher level objectives? Related challenges and possible solutions
- Capturing the LEADER/CLLD effects at local level via assessment of:
  - CLLD strategy
  - LEADER method
  - LEADER added value

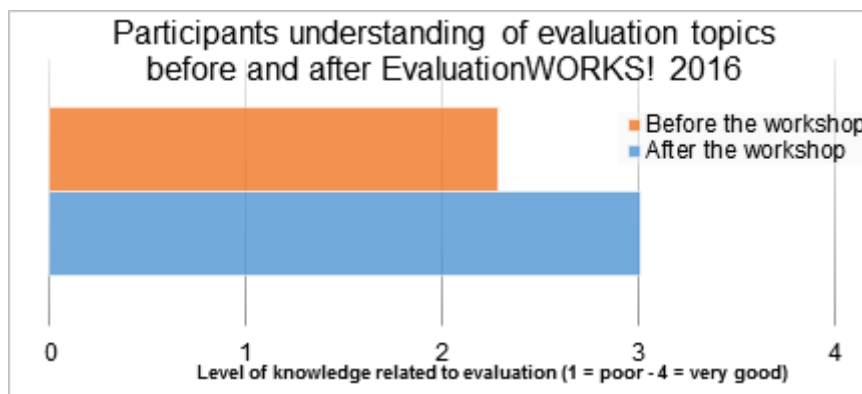

Between **October 2016 and March 2017, 23 trainings in 24 Member States** have been concluded on the first module “Getting prepared for reporting on evaluation in the AIR submitted in 2017”. [1]

The EvaluationWORKS! 2016 trainings have been attended by roughly 530 participants so far. The primary group of participants were Managing Authorities (50%), followed by evaluators (17%) and representatives from ministries (15%).
