- Run **in local language**.

Transnational capacity building events

- Specific evaluation topics of relevance for more Member States;
- In-depth training-lectures and exercises facilitated by a team of evaluation experts;
- Run in **English** (with optional working groups in other languages).

Other capacity building events

- Support for capacity building events organised by other relevant bodies (ENRD, NRNs, European Innovation Partnership (EIP));
- Aiding in the broadening of awareness and capacity in relation to the evaluation of rural development activities;
