

Showing the added value of LEADER/CLLD through evaluation

The Good Practice Workshop co-organised by the Evaluation Helpdesk and the Finnish National Rural Network and the Ministry of Agriculture and Forestry, “**Showing the added value of LEADER/CLLD through evaluation**” took place on 17-18 May, 2018 in Helsinki, Finland.

Thematic Focus

The aim of the workshop was to provide a forum for the discussion and exchange of experiences from across the Member States. This workshop brought together NRNs, Managing Authorities, and evaluators in order to:

- contribute to shaping a common understanding of the added value of LEADER/CLLD and its links with the LEADER/CLLD delivery mechanism and LEADER method;
- provide a forum for the exchange of experiences between Member States and to discuss challenges related to assessing LEADER/CLLD added value;
- develop practical recommendations on possible evaluation approaches that can show the added value of LEADER/CLLD.
