ENRD LAG Database - Guide for LAGs

The ENRD Contact Point team has invited the managers of Local Action Groups (LAGs) via an automatic email to join the LAG database and connect with LAGs from across Europe.

The ENRD [LAG database](#) [1] will allow you to network and cooperate with thousands of LAGs. You can also create cooperation offers and find project partners throughout Europe through the [CLLD Partner Search tool](#) [2].

To accept our invitation, click on the link in the email (only valid for 30 days) and you will be asked to create an account in order to proceed.

Once you have set up your account, you will be automatically directed to a web page from where you can update your LAG's profile and create project offers for CLLD cooperation.

Read our [Guide for LAGs](#) [3] containing detailed information on how to:

- Create your account
- Update your LAG's online profile
- Create a CLLD cooperation offer for your LAG

The Guide for LAGs is available in [English](#) [4], [French](#) [5], [German](#) [6], [Italian](#) [7], [Spanish](#), [8] [Polish](#) [9] and [Romanian](#) [10].
