

Approaches to assess socio-economic and sector related RDP impacts in 2019

The [European Evaluation Helpdesk for Rural Development](#) [1] is pleased to invite you to the Good Practice Workshop, '**Approaches to assess socio-economic and sector related RDP impacts in 2019**', which will take place in Warsaw, Poland 24-25 October 2018.

The workshop is organised in collaboration with the Polish Ministry of Agriculture and Rural Development.

This Good Practice Workshop aims to:

- **Show and discuss practical examples** of evaluation approaches for assessing the socio-economic and sector related CAP Pillar II impact indicators and for answering the related Common Evaluation Questions (CEQ) in 2019.
- **Identification of specific challenges** related to the application of the presented evaluation approaches covering CEQs 27, 29, 22 and 25.
- **Exchange experiences** among Member States and **develop recommendations for evaluators and Managing Authorities** to facilitate the use of robust evaluation methods for assessing RDP socio-economic and sector related impacts.

Working language will be English.

Please register before **27 September 2018** by filling the following [online registration form](#) [2].
