‘Agrinnovation’: cooperate to innovate!

Read the new edition of EIP-AGRI’s ‘Agrinnovation’ magazine [1] and find out how to get involved in the EIP-AGRI network and connect with farmers, researchers, advisers and other agricultural innovation stakeholders.

In this third edition of the magazine you will discover new tools for exchanging knowledge; explore experiences from the first Operational Groups; get an update on EIP-AGRI Focus Groups; and get inspired by innovative ideas and practices from across Europe.
