

## Farm to Fork Strategy: implications for agriculture and the CAP

An [In-Depth Analysis](#) [1] by the Policy Department for Structural and Cohesion Policies of the European Parliament (EP) explores the possible implications of the Farm to Fork Strategy (F2F) for agriculture and the CAP and, as a result, on the legislative works of the EP's AGRI Committee over the 2020 - 2023 period.

A separate [blog post](#) [2] offers an overview of the key points of the analysis.
