

Rural Inspiration Awards

For the first time ever, the ENRD Contact Point is organising Rural Inspiration Awards to celebrate rural development projects that show how the policy contributes to a more competitive, sustainable and inclusive rural Europe.

Entries are proposed by National Rural Network (NRN) support units. A jury of experts will select a winner for each of five competition categories: improving the competitiveness of rural areas; environment and climate action; rural revitalisation; social inclusion; and LEADER/CLLD. An extra award will be selected by popular vote.

Watch out for the winners to be announced at '[networX](#)' [1], the ENRD networking event taking place in Brussels on 11-12 April 2019.
