

EAFRD Projects Brochure 'Smart and Competitive Rural Areas'

This edition of the EAFRD Projects Brochure presents examples of methods and approaches that have been used across Europe to deliver results on the topics of rural broadband, digital access to market, farm modernisation, market development, rural diversification and sustainable communities.

It hopes to provide inspiration on how to develop the strategies and tools for different types of rural areas to be economically competitive, while at the same time preserving their natural resources and social cohesion.
