

Revista Rural Connections, edición primavera/verano 2018

Esta edición se centra en el tema del «Relevo generacional» en el desarrollo rural, para lo que analiza las iniciativas existentes destinadas a acoger y apoyar a una nueva generación de agricultores, como por ejemplo a través de las propuestas legislativas de la Comisión Europea para la política agrícola común (PAC) posterior a 2020.

La edición incluye igualmente sus secciones habituales, como la de «Noticias y actualidad» de la REDR y de la UE, y la titulada «Perspectivas rurales», que muestra las opiniones de las partes interesadas sobre asuntos que van desde la mayor encuesta jamás realizada por LEADER/CLLD hasta el modelo de aplicación de la nueva PAC.
