[EAFRD Projects Brochure 'Bioeconomy'](#) [1]

This edition of the EAFRD Projects Brochure illustrates how the mainstreaming of the bioeconomy is being accelerated by Rural Development Programmes (RDPs) around Europe.

A sustainable bioeconomy, while it benefits everyone, has particular relevance for rural communities.

The twelve projects featured in this Projects Brochure illustrate how RDPs are helping rural communities seize the opportunities offered by the bioeconomy through the production of sustainable food and feed, innovative bio-based products, renewable energy, environmentally sustainable growth and awareness raising.

[EU Rural Review 28 'Bioeconomy'](#) [3]

The theme of this EU Rural Review is 'mainstreaming the bioeconomy'.

With the spotlight firmly focused on how society can manage its natural resources in a sustainable way, rural areas around Europe are increasingly getting primed and ready to reap the benefits of the bioeconomy. This publication looks at the major role played by the new EU Bioeconomy Strategy as well as the importance of local and regional actors to enhance the development of the bioeconomy.

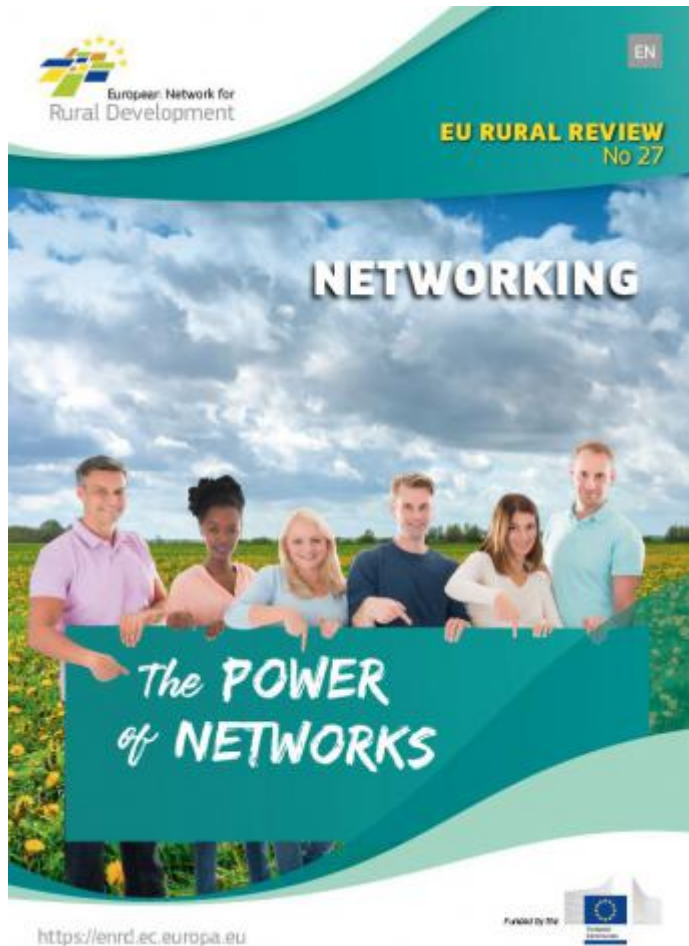

The content of the publication has been informed by the work of the ENRD Thematic Group on '[Mainstreaming the Bioeconomy](#)' [4].

[EU-Magazin Ländlicher Raum, Ausgabe Nr. 27 „Networking“](#)

[6]

Gegenstand dieser Ausgabe des EU-Magazins Ländlicher Raum ist die Rolle der Vernetzung in der Politik zur Entwicklung des ländlichen Raums. Die Netzwerke werden immer bunter, alle Gruppen mit einem Interesse an der ländlichen Entwicklung sind vertreten und pflegen die Beziehungen untereinander.

In der neuen Ausgabe wird untersucht, wie die Netzwerkarbeit zu einem bestimmenden Merkmal der ländlichen Entwicklung in Europa geworden ist, und wie sie sich unter den zukünftigen politischen Gegebenheiten weiterentwickeln wird.

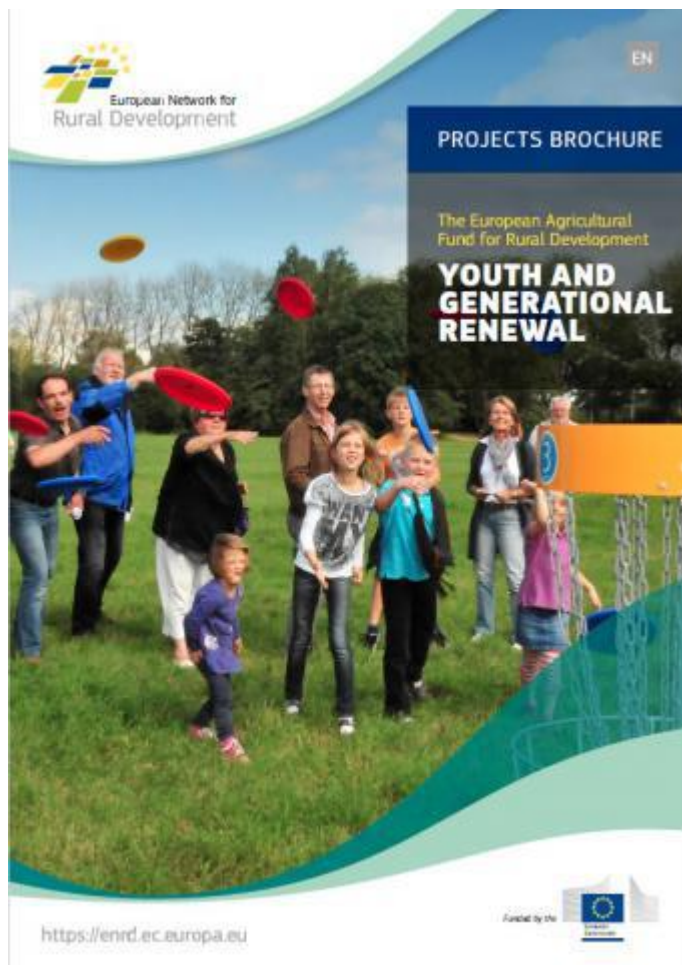

Mehr zum Thema Vernetzung findet sich unter dem Stichwort [networX](#) [7], der bislang größten organisierten Zusammenkunft von Praktikern der Netzwerkarbeit in der laufenden Programmperiode.

ELER-Projektbroschüre „Jugend und Generationenwechsel“

[9]

In dieser Ausgabe der ELER-Projektbroschüre werden zwölf Projekte vorgestellt, aus denen ersichtlich wird, wie die Politik zur Entwicklung des ländlichen Raums das Leben auf dem Land und das Arbeiten sowohl in der Landwirtschaft als auch in anderen ländlichen Branchen für junge Leute attraktiver machen hilft.

Eine junge Bevölkerung in ländlichen Gebieten und insbesondere die Junglandwirte bringen mehr Leben in die Region und ebnen den Weg zu größerer Wertschöpfung und höherem Wohlstand. Der Generationenwechsel ist Voraussetzung für eine langfristig verbesserte Wettbewerbsfähigkeit der Landwirtschaft und für eine nachhaltige Nahrungsmittelerzeugung in Europa.

[Collection and dissemination of project examples](#) [16]

This factsheet presents key findings about the experiences of Network Support Units (NSUs) in collecting and disseminating examples of projects supported through the European Agricultural Fund for Rural Development (EAFRD). The findings emerged from the analysis of information gathered through an online survey and the [ENRD Workshop on 'Project Examples and Good Practices'](#) [17].

[ELER-Projektbroschüre „Digital and Social Innovation in Rural Services“](#) [28]

Gegenstand dieser ELER-Projektbroschüre sind zwölf partizipative soziale und digitale Initiativen zur Verbesserung der ländlichen Dienstleistungen in sechs Schlüsselbereichen: Multi-Service-Zentren, Gesundheit, Bildung, Mobilität, Energie und Digitalisierung des Dorfes selbst.

Aus den Beispielen wird ersichtlich, wie ländliche Gemeinden bisweilen schneller als die Politik auf sie betreffende Herausforderungen reagieren können, indem sie Privatinvestitionen auch in Form innovativer Methoden wie etwa Schwarmfinanzierung anstoßen.

Die Entwicklungsprogramme für den ländlichen Raum (EPLR) können Gemeinden in jeder Phase des Wandels zu einem „[smarten Dorf](#)“ [29] – von der Ausarbeitung des ersten Konzepts bis zur erfolgreichen Umsetzung – Hilfestellung leisten.
