## [EU Rural Review 20 'Getting Rural Development Programmes Going'](#) [1]

This issue is dedicated to the theme of 'improving RDP implementation' and aims to help RDP authorities and other rural development stakeholders understand and focus on important RDP requirements and implementation tools. It addresses issues such as keeping RDPs focused on their agreed outcomes, simplifying their implementation, boosting financial performance, and launching Operational Groups.

## [EAFRD Projects Brochure 'Rural Development Priorities 2014-2020'](http://enrd.ec.europa.eu) [8]

This EAFRD Projects Brochure considers the new European Union rural development priorities for the 2014-2020 programming period. It looks at existing EAFRD projects to ask what inspiration we can take from the past to help us achieve these priority objectives in the future.

The brochure refers to the ideas and achievements of more than 50 projects - implemented using EAFRD funding support from the 2007-2013 programming cycle. Of these, twelve are highlighted and presented in more detail, to reflect particular approaches to achieving the new priorities.
