[EAFRD Projects Brochure 'Bioeconomy'](#) [1]

This edition of the EAFRD Projects Brochure illustrates how the mainstreaming of the bioeconomy is being accelerated by Rural Development Programmes (RDPs) around Europe.

A sustainable bioeconomy, while it benefits everyone, has particular relevance for rural communities. The twelve projects featured in this Projects Brochure illustrate how RDPs are helping rural

communities seize the opportunities offered by the bioeconomy through the production of sustainable food and feed, innovative bio-based products, renewable energy, environmentally sustainable growth and awareness raising.

[ENRD Workshop on Combatting Rural Depopulation](#) [3]

This is the highlights report of the ENRD Workshop on '[Combatting Rural Depopulation: Creating new opportunities for vibrant rural areas](#) [4]'.

It overviews the key drivers and effects of population decline in rural areas across the EU, looking at the role of the Rural Development Programmes (RDPs) and other EU policies and instruments in order to help create an enabling rural environment. It explores examples of projects contributing to the creation of business opportunities and the improvement of services and quality of life in rural communities, as well as examples of integrated approaches that can help combat rural depopulation.
