

I. General information

| | |
|--|---|
| Thematic provisions | Same themes on cooperation as for the whole measure, only different implementation terms |
| Territorial provisions | Eligible expenditures on the territory of the Region, and up to a maximum of 5% outside the territory of the RDP |
| Potential partners | - |
| Guidance in other languages / national language | No translated guide available today |
| Eligible beneficiaries for cooperation projects | LAGs; Public organizations or associations; Groups of local public and private partners; Companies |
| Coordinating/lead partner provisions | Organization with or without a leader. If there is a leader, he is engaged by a partnership agreement and centralizes all expenditures, and redistributes funds to partners. Apart from the leader, only the project promoter bears the share of the expenses as established in the cooperation agreement (payment of a part of the expenses, pro-rata, etc.). |
| Simplified costs | Use of the 15% indirect costs |
| Calls | - |
| Project selection | By the Programming Committee |
| Budget allocation for cooperation to LAGs | 5% minimum of the budget of each LAG allocated to cooperation, with the possibility of exceeding it. |

LEADER Cooperation Measure Factsheet

Other provisions

The region highly contributes to co-financing by investing 95% of the NPC in LEADER.
