Internationales Landwirtschaftliches Praktikum (ILP)

Scheme name	Internationales Landwirtschaftliches Praktikum (ILP)
Email	katharina.brader@landjugend.at
Telephone	050 / 259-26305
Website	http://praktikum.landjugend.at/
Exchange objectives	Knowledge exchange (apprenticeship)
Target groups	Young farmers aged 14-35
Destination(s)	Europe: Denmark, Switzerland, Ireland, France, Germany (Bavaria), Norway. (Overseas via the International Farm Youth Exchange (IFYE)).
Duration of an exchange	Varies per country: 1 to 12 months
Practical arrangements	The ILP can arrange the exchange via the partner organisations. If necessary, the ILP can also help with arranging flights.
Selection of farmers (guests) and hosts	Via partner organisations. They are best placed to ensure legal compliance, minimise risks for the exchange students and undertake regular evaluations.
Insurance	Participants are offered a private health and accident insurance in addition to their obligatory health and accident insurance that provide only limited coverage abroad. The ILP also offers liability insurance for participants during working time.
Assistance in travel etc.	Yes
Language conditions	English language skills are obligatory
