

Exchange Schemes for young farmers in Estonia

WWOOF Estonia

Scheme name	WWOOF Estonia
Email	info@wwoof.ee
Website	http://www.wwoof.ee/
Exchange objectives	To give first-hand experience of organic or other ecologically-sound growing methods, give experience of life in the countryside, help the organic movement which is labour intensive and does not rely on artificial fertilisers, herbicides or pesticides. To give people a chance to meet, talk, learn and exchange views with others in the organic movement.
Group determination	Volunteers with no restriction
