

ENRD Networking

19th NRN Meeting

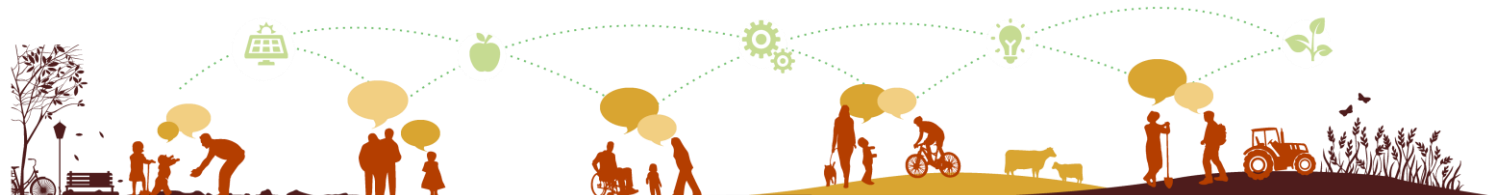

Agenda

11 February 2021

Webinar

Main objectives of the meeting:

- To discuss the role of NRNs in supporting and promoting transnational cooperation (TNC) action of Local Action Groups (LAGs) and the cross-border cooperation of EIP-AGRI Operational Groups (OGs).
- To provide space to exchange on forthcoming rural networking activities and on the ongoing development of national CAP networks.
- To consider how NRNs have so far contributed to the development of the Long-Term Vision for Rural Areas (LTVRA) and how they can be involved in the upcoming ENRD Conference on the LTVRA at the end of March 2021.
