

## 4<sup>th</sup> NRN Meeting - Slovenia

# The purpose and structure of the day

Edina Ocsko & Ines Jordana

ENRD CP

Slovenia, Bled – 1 March 2016

#NRNmeeting

# What is the focus of the day?

- Improving RDP implementation through the activities of NRNs
- Identifying other networks who work on same/similar themes
- Exchanging about experience, practices, etc.
- Developing ‘communities of practice’ – identifying possible areas for further exchange/ action points & next steps

# Background

- The **NSU survey** on ‘NRN activities in support of RDP implementation’ informed the planning of this meeting
- 21 NSU responded to the survey (**Thank you!**)
- It informed the main workshop themes (you will have the opportunity to explore also other ones)

...and here is a **summary of the results**

# Structure of the day

- We'll start with 'speed-dating' (details are coming soon...)
- Three workshop themes informed by the survey: **cooperation measure, smart supply chains, young farmers**
- You will have the opportunity to explore any other themes (related to RDP implementation) during the 'Open Space' – **think what you'd like to bring forward**
- Finishing off: next steps, events – **Next NRN meeting**

# Now let's move to the speed dating...

# ...but there are rules!

To participate you need a filled in speed dating profile

### I can particularly share our experiences (example) with you about:

### Some of our needs right now (that I would like to explore with you) are:

# There are rules...

At the start you will need to **sit where you are told...**

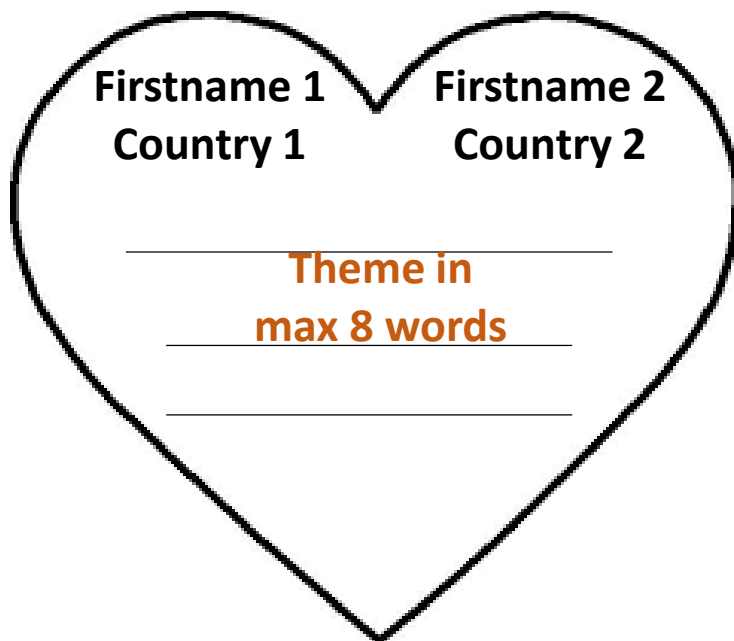

You will have the opportunity to speak to **6 different people...**(blue move to the right)

You will have **7 minutes for each discussion**

# There are rules...

As a result of each discussion you can produce 'hearts' & 'bubbles'

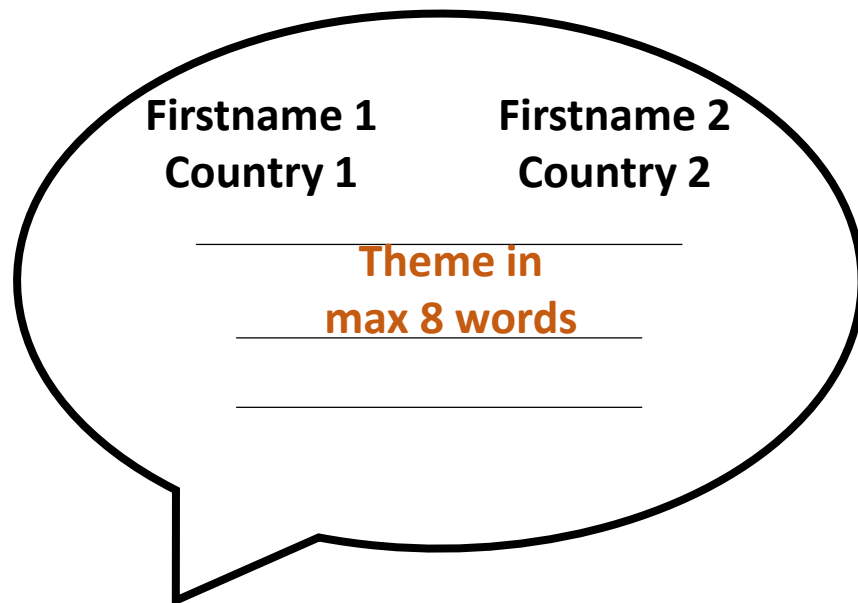

Firstname 1      Firstname 2  
Country 1      Country 2

\_\_\_\_\_

**Theme in**  
**max 8 words**

# There are rules...

You can fill in as many hearts and bubbles as you want but

Be honest to each other, **don't feel obliged to fill in a shape**

Fill bubbles when you would like to explore further any themes

Only fill hearts if you definitely plan some work on a theme with each other
