

# England NRN, and Support Unit...

- One of 4 NRNs in the UK
- Budget of £2.1m 2014-2020 (5 staff plus activities)
- Hosted in MA; stakeholder sounding board
- Action plan based on objectives developed from RDR and discussion with stakeholders.

- **Network of networks!**
  - **delivery bodies and other stakeholders are part of the NRN**
  - **NSU adds value to existing networks**
  - **Diagnostic approach**

# The action plan...

## Objectives

- Cover the 4 key aims of NRNs and the mandatory activities (Article 54.2 and 3)
- Plus objectives for management of resources, evaluation, collaboration in UK NRN and ENRD

## Activities

- Key outputs and timing set out in the plan, by month (i.e. intermediate detail)

## Next steps?

- Further planning of detail
- Review with stakeholders/PMC – diagnostic approach
- How to capture activity not funded by NRN budget?
- Link to monitoring/evaluation of outputs for ease of reporting?
