

Portuguese Rural Network

Networking and the EIP-AGRI in Portugal

UNIÃO EUROPEIA

Fundo Europeu Agrícola
de Desenvolvimento Rural

A Europa investe nas zonas rurais

Jurmala - 12 may 2015

4 priority themes for the operational groups

- ▶ 1 - Fostering knowledge transfer and innovation in agriculture, forestry, and rural areas.
- ▶ 2 - Strengthening the viability of farms and the competitiveness of all types of agriculture in all regions and encourage innovative agricultural technologies and sustainable management of forests.
- ▶ 3 - Promote the organization of food chains, particularly with regard to the processing and marketing of agricultural products. The animal welfare and risk management in agriculture.
- ▶ 4 - Restoring, preserving and enhancing ecosystems linked to agriculture and forestry in all areas.

NRN - Innovation support services

Information
about EIP

Promote
Operational Groups

Networking activities

- Workshops and seminars about innovation and H2020
- Participations in fairs
- Meetings (formal and informal)

Iniciative center

Objectives:

I have a problem and I need a solution

I have an idea and I see an opportunity/idea

Help to find other partners

Emerging and merging of operational groups

Improvement of action plans

Project

RDP measure Operational Groups

What support the NRN needs from the EIP-AGRI

For example:

- ▶ Exchanging information about Focus Groups
- ▶ Collaboration on events and meetings
- ▶ Promote regular meetings with NRN for discussion / transfer of knowledge about innovation
- ▶ Information about H2020
