

# Workshop 4

## “Investment support measures”

*Brussels, 11 June 2014*

#RDPS\_2014\_2020

# How we will work

Two presentations:

- ❖ DG Agri on the Measures, opportunities and challenges
- ❖ Danish AgriFish Agency on RDP strategy for support to investments

Four discussion tables on strategies and practical approaches for improving measure implementation.

## **Your examples:**

- What are your priorities and plans for launching these measures/issues?
- What practical approaches have been put in place?
- Can these be replicated, transferred?
- What difficulties are expected/experienced?
- How can Measure uptake be improved?

## **Your recommendations:**

- Up to 3 practical things that can be done tomorrow?
- *Someone to do the recommending!*
