# Workshop on Project examples and Good Practices

Cristina Simon

Managing authority NRN Spain

**Brussels November 2018** 

## 1.IDENTIFICATION & COLLECTION

- An informal process
- Actors involved:
  - MAs of Autonomous Communities
  - 2 non-profit associations that supports rural development at national level
  - LAGs
- The selection criteria chosen by the actors that send the projects
- Project don't need to be completed

## 2. DISSEMINATION

- Dissemination:
  - Website
  - Newsletter
  - Social Media
  - Rural events as fairs

- Format
  - Short summaries
  - More detailed case studies
  - Interviews in publications

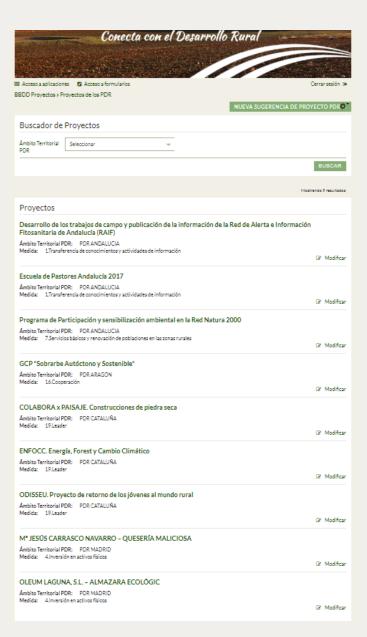

## 2. DISSEMINATION

- Future plans
  - Diffusion in quantity and quality
  - Production of videos
  - Improving the web page and revitalizing "good practices" section

### 3. CHALLENGES AND SUCCESS FACTORS

- Challenges
  - Timing of projects no results to evaluate something as good example
  - Limited information flow high amount of RDPs, disaggregation of National PDR into different managing departments
  - Communication with regional authorities
  - Human resources at the NRN
- Success factors
  - For identification: harmonized criteria
  - For dissemination: Short videos, friendly webpages and use of social media
  - An easy and accessible on-line platform
