

# 15<sup>th</sup> NRN Meeting

## Draft Agenda

19 September 2019

Poitiers, France

### Main objectives of the meeting:

- To explore the development and connection of territorial strategies used within rural areas.
- To provide space for discussion and an update on themes proposed by NSUs.
- To exchange on methods used in facilitating stakeholder participation through NRN activities.

The meeting is aimed to be paperless to the maximum possible extent.

\* The meeting will be followed by a meeting of French regional networks, to which NRN Meeting participants are invited to join on 20 September (see the [event webpage](#))
