AGRICULTURE & INNOVATION

4 - 5 October 2016
Budapest, Hungary

Overall aim - understanding and promoting the role of NRNs and other relevant networks in the practical implementation of the EIP-AGRI at regional, national and EU level

Main target group - support units of the NRNs and dedicated EIP-AGRI networks (national and regional level) who are working directly to support the EIP-AGRI Operational Groups

Workshop in Budapest

eip-agri
AGRICULTURE & INNOVATION

Scope to be discussed and fine tuned in the next meeting of the Subgroup on Innovation for agricultural productivity and sustainability

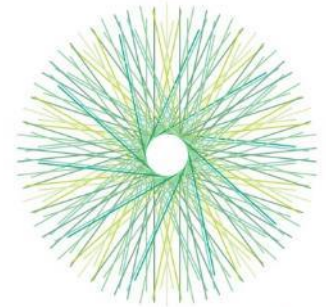

Topics / issues to tackle - take in consideration previous events and your inputs today

Would (some of) these topics be relevant for you?

- Present info and relevant examples from national / regional rural networks
- Identify and discuss network initiatives and related best practices
- Promote increased “networking of the networks” (common needs or approaches, based on OG themes, ...)
