Latvian Rural Advisory and Training Centre

Functions of the National Rural Network Support Unit and Latvian Fisheries Network support Unit are implemented by Latvian Rural Advisory and Training Centre, which is limited liability company.

Ownership structure:

- 99% of share capital is owned by the State (Ministry of Agriculture);
- 1% of share capital is owned by the Latvian Farmers’ Federation.
Latvian Rural Advisory and Training Centre

Mission:

- Recognising responsibility for rural environment, promote rural prosperity, providing clients with access to knowledge, advice and services.

For demarcation:

- Separated cost accounting for each task.
