

# 8<sup>th</sup> NRN Meeting

## Delivering Smart Rural Development

### Agenda

26 – 28 June 2017

### Jyväskylä Region, Finland

#### Main objectives of the event/meeting:

- Develop new rural networking tools and methods to meet the objectives of Cork 2.0 in the delivery of the RDPs
- Improve NRN implementation and support for project delivery
- Foster innovation in the delivery of NRN tasks and connections with stakeholders

**The event will be carried out using the intensive Finnish 'innovation camp' approach with a view to generate and develop new rural networking tools and innovative practical NRN actions to promote smart delivery of RD policy**
