**September 2015**
EAFRD allocation per Thematic Objective & expected results

Coordination body: Inter-institutional Committee for the Partnership Agreement (CIAP)
Date of PA approval: 06/08/2014

Thematic Objectives

1. Research & Innovation 1%
2. Information & Comm. Technologies
3. Competiveness of SMEs 29%
4. Low-carbon economy 6%
5. Combating climate change 19%
6. Environment & resource efficiency 14%
7. Sustainable transport
8. Employment & Mobility 7%
9. Social inclusion 22%
10. Better education & training
Technical Assistance 2%

Examples of expected EAFRD results per Thematic Objective

Thematic Objective - 3
Increased share of farms managed by skilled young farmers.

Thematic Objective - 5
Increased areas on which agricultural practices for adaptation to climate change are applied and increased share of efficient irrigation systems contributing to sustainable water management in agriculture.

Thematic Objective - 6
Increased share of agricultural land managed under environmentally sustainable farming practices to maintain and protect biodiversity (including High Nature Value farmland areas).

Thematic Objective - 9
Reduced poverty risks in rural areas through investment measures in small scale infrastructure related to road, water, sewage, education, health, and cultural patrimony, including by using LEADER approach.

Integrated approaches to territorial development in rural areas

Community Led Local Development (CLLD) / LEADER

CLLD/LEADER funding in Romania: Maximum 7% of the total EAFRD budget.
Multi-funded Local Development Strategies: Possibly will apply mono fund financing taking into consideration the institutional capacity and relatively early stages of implementation of local development strategies.

Rural-area population limit derogations: In the Danube Delta Region, a minimum ceiling of 5,000 inhabitants will be accepted due to low population density.

Integrated Territorial Investments (ITI)

ITI in Romania: An ITI is envisaged for the Danube Delta Biosphere Reserve. Indicative allocation by ESI fund:
- ERDF - EUR 709.62 million
- ESF - EUR 76 million
- CF - EUR 107.64 million
- EAFRD - EUR 168 million
- EMFF - EUR 50 million

Please note: The data and figures presented in this summary come from the European Commission approved version of the PA for Romania.
