ESIF contribution per T.O. (million EUR)
Thematic Objective - 2
Efforts will lead to improved access to high broadband transfer rate in rural areas, which reaches more businesses, organizations and households and improve the development capacity locally and create opportunities to operate and live in rural areas.

Thematic Objective – 3
A more sustainable and competitive agriculture through structural development.

Thematic Objective - 5
Increase skills on how to deal with climate change impacts.

Thematic Objective – 6
An open and varied agricultural landscape with elements of wetlands and ponds.

Thematic Objective - 9
Increase the attractiveness of rural areas so that more people choose to live and work there.

Integrated approaches to territorial development in rural areas

Community Led Local Development (CLLD) / LEADER

CLLD/LEADER funding in Sweden: EUR 200.2 million EAFRD

Multi-funded Local Development Strategies: Yes, local development groups can choose which measures and thus the funds they want to use to implement their local development strategy.

Rural areas population limits derogations: Between 10,000 and 150,000 inhabitants, but exceptions may be allowed up to 320,000.

Responsible body: Ministry of Enterprise and Innovation & Ministry of Employment

Date of PA approval: 29/10/2014

Please note: The data and figures presented in this summary come from the European Commission approved version of the PA for Sweden.
