

European Rural Networks' Steering Group

ENRD CP Capacity Building and Peer Exchange

The following is a list of topics that have been suggested for future capacity building workshops and/or support activities organised by the ENRD Contact Point.

Could you please let us know *which of these events and/or activities you or someone from your organisation would most like to participate in and contribute to*. Please also let us know if you have other proposals. You may tick any number but please be realistic.

Name of Steering Group member

Organisation
